***** COMMENT *****

We appreciate the positive response from last weeks newsletter on providing information on your vaccinations and calving dates. It sure helps with the records we provide to the buyers.

Keep in mind, it is very important to let us know in advance of the livestock you intend to bring, even if it is just a few days prior to the sale. We contact buyers who come from out of state and the sooner we know the better. It does not matter whether you have 10 head or 100 head, just let us know your intentions.

If you have any questions at all, about your livestock feel free to give us a call anytime.

Thanks
