MONDAY'S FED CATTLE

Sale Starts 8:30 a.m.

RECEIPTS: 68

STEERS

Choice 2-3 1200-1450# - 89.50-91.75

Select & Choice 2-3
1200-1400# - 85.00-88.00

HEIFERS

Choice 2-3 1100-1400# - 88.00-90.10

A very good run of feeder cattle offered with the demand very strong, especially on the calves 500# or lighter going to grass, the heavier cattle area a bit weaker but still very much in demand.

Again, I must stress, it pays to advertise your consignments ahead of time. Before Monday's sale we knew of 1200 head to advertise in advance, which is a big THANK YOU to our consignors. So, whether you have 5, 10, 20 or 100 head please let us know, as early as possible.

Another thing I want to mention is that we had several buyers insisting information on your livestock, (shot papers, birth dates, & any kind of shot program they are involved with). I think it is becoming very vital to have that information to receive top price for your calves, as well as having them in the right condition to sell.

If you have any questions, please give us a call.
