MONDAY'S FEEDER CATTLE

Sale Starts 12:30 PM.

RECEIPTS: 839

Compared to two weeks ago; feeder steers & heifers steady to \$3.00 higher. Feeder cattle demand remains strong as corn prices continue to work lower & the finished cattle prices remain well into the 90's. Temperatures into the mid 80's will hopefully dry fields out enough to resume planting over the next few days.
