**MONDAY'S
FEEDER CATTLE**
Sale Starts 12:30 PM.

RECEIPTS: 876

Compared with the last tested market two weeks ago; feeder steers under 700# & heifers under 600# \$8.00-\$10.00 higher, heavier weight cattle \$4.00-\$6.00 higher. Demand very good. "Everything is just crazy", is the way one long time cattle producer has summed up the commodity markets for sometime now & Monday's feeder cattle market was no exception. Nothing appears is going to stop this feeder market from exploding higher; not depressed fed cattle prices or even five dollar corn.
