MONDAY'S FEEDER CATTLE

Sale Starts 12:30 PM.

RECEIPTS: 1592

Market compared with three weeks ago; feeder strs & hfrs steady to \$5.00 lower. Good buyer attendance with a fairly active market, although most purchasers were looking to receive more pounds for their dollar now that finished cattle are trading well below 90.00 & corn has moved back solidly over five dollars. Quality was a mixed bag with some reputation strings to some plainer offerings as well as a few new crop calves.
