## MONDAY'S FEEDER CATTLE

Sale Starts 12:30 PM.

RECEIPTS: 13

Feeder steers & heifers not established. The Mississippi river has receded to a more normal level, but extremely heavy rains through North Missouri this past week have flooded many acres of good crop land & closed dozens of roads. The Mark Twain Lake on Monday broke the high water record set in 1993 & many areas below the dam are expected to be flooded as officials are forced to release additional water.

**FEEDER STEERS & HEIFERS VIRTUALLY ABSENT.**
