MONDAY'S FEEDER CATTLE

RECEIPTS: 348

Feeder steers & heifers firm to \$2.00 higher on a light test. Only a light supply of feeders offered but a very active market with buyers coming from all directions to take part. Cattle futures have rallied up about four dollars in the past week off of last Mondays lows & boxed beef prices were quoted higher Monday afternoon. Northeast Missouri missed most of the precipitation over the weekend so cattle lots along with future corn fields are in pretty good shape as the grain farmers are itching to get started.
