MONDAY'S FEEDER CATTLE

Sale Starts 12:30 PM

RECEIPTS THIS WEEK: 1431

Feeder strs & hfrs under 700# trading with a mostly lower undertone with weights over 700# steady where similar comparisons were available. Recent comparisons very sparse with no holiday sale last week & only light receipts the week before that. This was the first good fall run of cattle with more new crop calves in the offering along with several strings of mid-weight yearlings that have been background through the hot summer. Buyers trying to purchase cattle cheaper with supplies picking up & feed costs moving higher, but at times prices approached highs from a month ago if the quality was right.
