MONDAY'S

FEEDERCATTLE

Sale Starts 12:30 PM

RECEIPTS THIS WEEK: 1755

Feeder steers firm to \$3.00 higher. Feeder heifers under 600# \$3.00-\$5.00 higher, over 600# steady to \$1.00 higher.

The first big run of the new year with warmer weather allowing cattlemen a chance to move stock, although mud will quickly become a problem if temperatures stay much above freezing. Buyers were active on all weights of calves, with last weeks sharply lower grain trade one of several factors helping to boost prices.
