

Hello Larry and Deb,

Special "thanks" to Larry and Deb, for their assistance and auction of the home and contents of Richard and Marcey Schwieter - Saturday, May 14 in Quincy, IL. We cannot imagine anyone better to navigate the maze of details involved organizing the decades of treasures and heirlooms stored in their home place. From the first phone call with Deb, to the updates prior and during the auction, we appreciated the professional and sensitive manner they dedicated to meet the needs of the sellers. With the use of websites and other advertising, auction day saw quality and informed buyers.

The Schwieter's, as well as ourselves, appreciate your hard work and experience that made an otherwise challenging day a successful one.

For anyone interested in the "personal touch" for their auction needs, we would recommend Davis Estate Auctions.

Sincerely,

Terry & Jan Lease
