COMMENT

We would like to remind you that in order to be fair to everybody our policy here at Farmers & Traders is to sell your calves in the order that they arrive.

With the fall runs increasing, 50% of the cattle arrive on Saturday. We are very capable of handling your livestock with adequate feed & water. We also feel very confident, whether you are first or last in the sale lineup you will get full market price for your livestock.

Please, if you have any questions or comments, give us a call.
