Help Wanted

We still need help on sale days both in the back of the barn and as a ringman. If you are interested give us a call.

Comment: *The stock market is having a great effect on the cattle market these past few days as our elected officials decide the fate of the banking industry. Also keep in mind that this time of year the unweaned fleshy cattle are very hard to sell. If you are planning to move your cattle in the next few weeks please let us know so that we can keep you abreast on how it has affected the market.*
