MONDAY'S FEEDER CATTLE

Sale Starts 12:30 PM.

RECEIPTS: 762

Feeder steers \$5.00-\$10.00 lower & feeder heifers \$3.00-\$6.00 lower. Although the feeder cattle trend was certainly lower compared with two weeks ago, buyers were quite active throughout the day with prices better than many had expected. The closely watched stock market was strongly higher all day Monday, & the cattle futures traded sharply higher as well, thanks in part to the friendly cattle on feed report issued Friday that showed less cattle numbers in the feedlots than most expected.
