## MONDAY'S FEEDER CATTLE

Sale Starts 12:30 PM.

### RECEIPTS: 38

Too few cattle to establish a trend. In a normal crop year the crop harvest would be underway as we enter the last half of September, but the field crops that have not been flooded still need several more weeks of maturity & the cool cloudy weather is not helping speed things along. Even most of the beef farmers that chop silage have not yet begun. Rain gauges around the area recording 5 to 6 plus inches of rain since the middle of last week.

#### FEEDER STEERS

Medium 1-2

300-450# - 117.00-125.00

#### FEEDER HEIFERS

Medium 1-2

Pkg 395# - 116.00

400-550# - 103.00-107.00

#### FEEDER BULLS

Medium 1-2

Pkg 558# - 105.00

## *COOL Regualtions*

*Country Of Origin Labeling law will go into effect starting September 30 How this will affect you and your consignment has yet to be finalized, most likely you will be asked to sign an affidavit or declaration stating the country of origin of your cattle. Hopefully we will be able to keep this statement on file so you will not have to sign one for each sale. We will keep you informed as this develops.*
