## MONDAY'S FEEDER CATTLE

Sale Starts 12:30 PM.

### RECEIPTS: 952

Demand good for feeder cattle with no recent sales for a comparison. Once again heavy rain falling throughout Missouri. Grain crops are not maturing very rapidly with the abundance of moisture & cool temperatures.

## COOL Regualtions

Country Of Origin Labeling law will go into effect starting  
September 30, 2008

How this will affect you and your consignment has yet to be finalized, most likely you will be asked to sign an affidavit or declaration stating the country of origin of your cattle. Hopefully we will be able to keep this statement on file so you will not have to sign one for each sale. We will keep you informed as this develops.
