## MONDAY'S FEEDER CATTLE

Sale Starts 12:30 PM  
RECEIPTS: 1238

Feeder str & hfrs under 650# steady to \$2.00 higher, over 650# \$1.00-\$2.00 lower. The market on the lighter weight, grass prospect calves remains active as buyers are looking to fill orders while a sufficient number of calves remain available, but the heavier weight cattle that are ready for the feedlot are seeing less buyer activity as the finished cattle trade continues to be disappointing, selling only in the low eighties, & feed costs continue to be modestly high.
