MONDAY'S FEEDER CATTLE

Sale Starts 12:30 PM

RECEIPTS THIS WEEK: 2197

Feeder strs & hfrs \$4.00-\$8.00 higher. Drier weather & higher prices had the cattle trailers burning up the road bringing cattle to the auction making for one of the largest spring sales in recent memory. Supply consisted of a good mix of all weights, but probably more new crop calves moving for this time of year than in the past as farmers are taking advantage of the good prices & have decided to lighten the work load as many plan to turn their attention to grain farming in the coming days.
