**MONDAY'S  
FEEDER CATTLE**  
Sale Starts 12:30 PM

**RECEIPTS THIS WEEK: 736**

Feeder steers & heifers \$4.00-\$6.00 higher, although some weights, especially on steers, were not well tested. Bulk of the supply was yearling heifers. The feeder market responding to last weeks sharply higher feedlot trade & soaring cattle futures. Rain through north-east Missouri continues to delay planting of the remaining crop, & hay harvest is falling way behind as we now approach the end of June.
