MONDAY'S FEEDER CATTLE

Sale Starts 12:30 PM

RECEIPTS LAST WEEK: 853

Feeder strs & hfrs under 600# steady, over 600# steady to \$3.00 higher. Offering consisted of both yearlings & new crop calves. The yearling market noticeably more active thanks to the limit up cattle futures reacting to the bullish cattle on feed report issued last Friday.

Call John Brookhart 217-617-2443

NEW RULES & REGULATIONS FOR MISSOURI

Starting September 1, 2011 Trichomoniasis (Trich) testing of bulls.

This bull testing program aims to find & eradicate trich, a sexually transmitted disease in cow herds. Under the new rules, any nonvirgin bulls or bulls 24 months of age or older, not going to slaughter, must have a negative trich test within 30 days prior to change of ownership or possession. A similar law already exists for breeding bulls coming into the state.

If you have any question please call your veterinarian or one of us here at the market.

TIP!!!

Unclog a drain. Clear sink drain by dropping three Alka Seltzer tablets down the drain followed by a cup of White Vinegar. Wait a few minutes, then run the hot water.
